

Renfrew Farmers' Market

Starting our 48th year of operation

Rules and regulations – revised: March 14, 2019 for **2019 season**

Farmers bringing their products to the people in the form of a gathering place called a “Farmers’ Market” rather than people having to go to each farm.

The Renfrew Farmers’ Market is a **Farm Producer** based market, to permit open air sales of local homegrown and handmade products produced almost exclusively by the vendor. This market stresses freshness and high quality produce and products. We are a Member of the “Farmers’ Markets Ontario” and this market is guided by a Management Committee.

Definitions:

“**Market vendor**”- is the owner of the business (farm, gardener, **home-based** business), who is growing, raising, producing or creating all of their items offered for sale within the **100 km** radius of the Renfrew market.

“**Farm**” means a farm in a rural area with a barn, silo, fields, etc. with a full-time farmer; a hobby farm in a rural area with fields and a farmer on a part-time basis, or a producer who grows only local produce on their own property or a common gardening area.

“**Home-based**”- is a business operated out of (within) the primary residence of the owner(s).

Application:

For each 10 foot stall, **all** returning vendors must **re-apply filling** out a Vendor Application Form and return it to the Committee with their Membership fee by **April 15, 2019**. All items you wish to sell must be listed, not categorized. Additional items must be approved by the committee. **Only members in good standing will be accepted. (Please print email address & phone number clearly!!)**

Vendors are strongly encouraged to arrive 10 minutes before market in order to setup & not leave the market even if sold out, before 12:00 noon. Late arrivals & early departures disrupt the market as a whole.

Market stalls will be reassigned each year by the market committee & reserve the right to make changes if necessary.

All produce and products must be fresh or new and be of market value. A good rule to follow: (Do not attempt to sell anything you would not want to buy yourself).

All prepared products such as baking; preserves, etc. must have their products labelled with all ingredients, name & phone number. This is a Federal health rule. It protects you as well as the market & enables the customer to know who to return to, to purchase more if they like your product.

All products must follow local, provincial and federal regulations.

The practice of “**flea market**” **type pricing** or offering **distress/discount pricing** during or at the end of the market day is not allowed. **No retailing** will be permitted. **Meaning- no selling of products from anyone not a member of the market.**

No vendor can post a sign or say they are “**gluten free** “or “**organic**” unless they present a copy of a certificate that permits them to. Suggestive sample of signs may be-- ('all products are produced without wheat flour or allergen products’) (baking **is not** done in a gluten free facility) (**No** pesticides, herbicides, or commercial fertilizers)

Each vendor is responsible for the clean-up of his /her stall area at the end of each day as this is not our property.
